During September 2018 and April 2019, we had 12 children in the Autumn term and 14 children in Spring Term who were eligible and received £2559.90 (£98.72 per child). During the Summer term we had 16 children eligible and received £1653.60 (£103.35 per child) EYPP funding is being used to support children according to their individual needs. We have funded phonics resources to use in school as data showed that EYPP children were behind in their Reading and Writing. This includes staff training on Read, Write, Inc (a phonics scheme). Some children receive a free school meal daily with this funding. We are also continuing to use this money to partially fund extra support for speech and language.

During the academic year 2018-19, the school received a total of £4214.00
